ARTICLE I - NAME

This corporation, a not-for-profit corporation under the laws of the State of Arizona, shall be known as The Council on Chiropractic Education, Inc. (hereinafter referred to as the "Corporation" or "CCE").

ARTICLE II – PURPOSE

CCE shall be operated as a qualified exempt organization exclusively for scientific and educational purposes within the meaning of Section 501(c)(3) of the United States Internal Revenue Code of 1986 as amended (the "Code"), or the corresponding section of any future United States internal revenue law.

ARTICLE III – OFFICES

The principal office of the Corporation in the State of Arizona shall be located in the City of Scottsdale, County of Maricopa. The Corporation may have other offices, either within or outside of the State of Arizona, as the Council, as defined, *infra*, may determine or as the affairs of the Corporation may require.

The Corporation shall maintain in the State of Arizona a registered office, and a registered agent whose office is identical with the registered office, as required by the Arizona Nonprofit Corporation Act. The registered office may be, but is not required to be, the principal office in the State of Arizona, and the address of the registered office may be changed from time to time by the Council.

ARTICLE IV – CORPORATE STRUCTURE

The general structure of the Corporation, which is hereinafter defined in detail, is as follows:

4.01 Membership

Membership shall be offered to Doctor of Chiropractic Degree programs ("DCPs") or solitary purpose chiropractic institutions that are accredited by CCE. For historical reasons, Palmer College of Chiropractic West shall be offered membership on the condition that their DCP maintains CCE accreditation and complies with all additional Membership Eligibility Requirements and Responsibilities as set forth in Section 5.03 of these *Bylaws*.

4.02 Council

The Council shall constitute the policy and decision-making body of the Corporation, and shall be responsible for all matters pertaining to the accreditation of DCPs or solitary purpose chiropractic institutions. For all purposes contemplated by Title 10, Chapters 24-40 of the Arizona Revised Statutes, the Council shall perform all the functions of a board of directors. Individuals who serve on the Council shall be known as Councilors and shall perform all the duties of directors.

ARTICLE V – MEMBERSHIP

5.01 Class of Members

CCE shall have only one class of members (hereinafter referred to as “Member” or “Members”)

5.02 Selection of Member Representatives

Each Member shall designate an individual to represent that Member for all CCE purposes. If no individual is designated by the Member, CCE shall deem the Chief Administrative Officer of the Member DCP or the equivalent position at an institution housing a DCP, as the representative. A DCP Chief Administrative Officer is defined as the individual having primary authority and responsibility for administration of the DCP or the institution housing the DCP.

5.03 Membership Eligibility Requirements and Responsibilities

The responsibilities of the Members are as follows:

- (a) Maintain current CCE accreditation; and
- (b) Uphold fiduciary responsibility to CCE including, but not limited to, the following:
 - (1) loyalty to act in the best interests of CCE by avoiding conflicts of interest with CCE and affirmatively disclosing all potential conflicts;
 - (2) refrain from using its status as a Member to obtain any pecuniary benefit;
 - (3) maintain a diverse representation on the Council when electing Category 1 Councilors;
 - (4) comply with all current and relevant accrediting agency recognition requirements, e.g., United States Department of Education and Council for Higher Education Accreditation;
 - (5) comply with the “Code of Good Practice” promulgated by the Association of Specialized and Professional Accreditors;
 - (6) uphold CCE independence from special interest groups;
 - (7) disseminate CCE publications and other relevant documents to appropriate constituents for review in order to remain fully advised of all corporate activities;
 - (8) strive to promote and enhance CCE’s reputation and public image;
 - (9) support superior academic quality as the hallmark of chiropractic education;
 - (10) provide CCE with thoughtful and reasoned feedback; and

- (11) satisfy in a timely fashion, all membership payment obligations, including reasonable accreditation fees, membership meeting expenses, and all other assessments duly established by the Council.

5.04 Voting Rights

Each Member shall be entitled to one vote on each matter submitted to a vote of the Members. The Membership shall vote on the following matters:

(a) Amendment of CCE Articles of Incorporation

- (1) A two-thirds (2/3) vote of all Members and a two-thirds (2/3) vote of all Councilors is necessary in order to amend the *Articles of Incorporation* of CCE.

(b) Election of Category 1 & 2 Councilors

- (1) A majority vote of all Members is required to select individuals that will serve as Category 1 & 2 Councilors.
- (2) If within 60 days of distribution of the initial election ballots, the Members are unable to reach a decision on one or more of the Category 1 or Category 2 Councilor-nominees, those positions shall be filled by a vote of all Councilors, consistent with CCE policies and procedures.

5.05 Membership Status

The Council may, by a two-thirds (2/3) vote of all Councilors, recommend the termination or suspension of any Member. Membership status shall not affect accreditation status.

(a) Termination

The Council may recommend termination for cause, or if a Member has failed to discharge its responsibilities as set forth in Section 5.03 of these *Bylaws*, or if a Member has failed to satisfy its obligations to pay fees, dues, expenses, or other Council established assessments.

(b) Suspension

The Council may recommend suspension if a Member has failed to discharge its responsibilities as set forth in Section 5.03 of these *Bylaws*, or if a Member has failed to satisfy its obligations to pay fees, dues, expenses, or other Council established assessments.

If a Council recommendation to change a Member's status is made, that Member shall be provided notice of such recommendation. Thereafter, upon no fewer than ten (10) and no more than thirty (30) days from the date when the notice of the change in status recommendation is provided to the Member, there shall be an administrative hearing before a special meeting of the Council to determine the merit of the recommendation to change status. In the event that a two-thirds (2/3) vote of the Councilors present at the aforementioned hearing uphold the Council recommendation to change the Member's status, the Member shall be terminated or suspended.

Loss of CCE accreditation shall result in automatic termination of Membership only after final Council action.

5.06 Resignation of a Member

Any Member may resign by submitting a written resignation to the Council Chair. Resignation shall not relieve the Member of its obligation to pay any fees, dues, expenses, or other Council established assessments previously accrued, unpaid, or which relate to accreditation per student charge.

5.07 Reinstatement of Membership

Former Members may be reinstated by:

- (a) submitting a reinstatement request to the Council Chair, signed by the former Member's Chief Administrative Officer or the equivalent position at the institution housing the former Member DCP, and setting forth the reasons why reinstatement is appropriate; and
- (b) a two-thirds (2/3) vote of all Councilors.

Reinstatement may be conditioned upon any such terms as the Council deems appropriate.

CCE Membership is non-transferable and non-assignable.

5.09 Member Meetings

Member meetings may be held on an as needed basis and for the purpose of transacting any business appropriate to the Membership as defined in these *Bylaws*. Such meetings may be conducted via telephone or video conference as long as all Members in attendance are able to fully participate. The Council Executive Committee members may attend and participate in such meetings; however, such Council Executive Committee members shall not be entitled to vote unless they also are designated as Member representatives.

5.10 Notice of Member Meetings

Written or printed notice stating the place, day and time of any Member meeting shall be delivered either personally, by United States mail, by electronic mail, or by facsimile to each Member representative entitled to vote at such meeting at his or her last known business address no fewer than ten (10) days and not more than fifty (50) days before the date of such meeting, by or at the direction of the Council Chair or the CCE President. The purposes for which the meeting shall be called shall be stated in the notice. If mailed, the notice of a meeting shall be deemed to be delivered when it is deposited in the United States mail, postage thereon prepaid. Notice of such meetings also shall be sent to all Councilors.

Matters that may be considered at Member meetings shall be limited to those specified in the notice of the meeting. Matters that are not contained in a notice of the meeting may be considered only upon a vote of two thirds (2/3) of all of the Member representatives present, in person, by proxy, or by telephone.

5.11 Action by Membership

Any action required by statute or by these *Bylaws* to be taken at a Member meeting may be taken without a meeting if a consent in writing, setting out the action so taken is signed by no fewer than two thirds (2/3) of the Member representatives entitled to vote with respect to the subject matter of the action, except votes as set forth in Section 5.14.

5.12 Quorum

A majority of the Member representatives entitled to vote at any meeting, including telephonic meetings, shall constitute a quorum. If a quorum is not present at any Member meeting, a majority of the Member representatives present may adjourn the meeting without further notice.

5.13 Proxies

At any Member meeting, Member representatives entitled to vote may vote by signed proxy executed in writing by the Member representative or by his or her authorized attorney-in-fact. No proxy shall be valid after 11 months following the date of execution, unless otherwise provided in the proxy. Any proxy intended to be used at a meeting, hearing, or other gathering of the Members shall be filed with the CCE President, who shall provide it to the presiding officer prior to the commencement of the meeting. At the meeting, the presiding officer shall announce the content of any proxy. All proxies shall be placed on file at the CCE office and attached to any minutes from the meeting(s) where used.

5.14 Voting

For any matter on which Members are entitled to vote, such votes may be conducted by mail or electronic voting platform in a manner that the Council shall determine, provided that all applicable statutory requirements for Member action are satisfied.

8.06 Associate Chair

An Associate Chair shall be elected by a majority vote of Councilors present at any regular or special meetings and shall serve as a voting member of the Council Executive Committee as set forth in section 8.02. Only individuals serving on the Council are eligible for the Associate Chair position. In addition to serving as a voting member of the Council Executive Committee, the Associate Chair shall perform those duties assigned by the Council Chair as he or she may deem appropriate.
