PUBLIC DISCLOSURE NOTICE ON
LIFE CHIROPRACTIC COLLEGE WEST
Hayward, California
Effective: July 15, 2017

In accordance with the Council on Chiropractic Education's (CCE) policy and U.S. Department of Education requirements, when an institution's governing board notifies CCE in writing of its decision to voluntarily withdraw its accreditation and the Council takes an accreditation action, CCE releases this decision to the U.S. Department of Education, Council for Higher Education Accreditation, appropriate institutional and specialized accrediting agencies, state licensing boards and the public.

Recent Council Action

Please be advised that the doctor of chiropractic degree program at Life Chiropractic College West (LCCW), Hayward, California, notified CCE in writing of its decision to voluntarily withdraw its institutional accreditation status only with CCE. At its July 15, 2017 Semi-Annual Meeting, the Council accepted the voluntary withdrawal from institutional accreditation by LCCW due to the college obtaining institutional accredited status with the WASC Senior College and University Commission (WSCUC) in March 2017. It is important to note that LCCW still maintains its programmatic accreditation status with CCE which was originally granted in July 1987 and most recently reaffirmed in January 2011.

Next Steps

In accordance with the CCE Schedule for Accreditation Activities, LCCW is currently scheduled to submit its programmatic Self-Study by May 1, 2018 in anticipation of a comprehensive site visit in the fall of 2018.

At its meeting in January 2019, the Council will review the Self-Study, Fall 2018 Final Site Team Report and the Program response to the Final Site Team Report in a status review meeting with the program.
