

**THE COUNCIL ON CHIROPRACTIC EDUCATION®**  
**Student Achievement Thresholds Review Task Force**

January 2026

**Charge:** The charge of the Student Achievement Thresholds Review Task Force is to review the current student and resident outcome measures and associated thresholds and determine if they should be continued as is, modified, or removed, and/or if additional measures should be implemented. The process includes, but is not limited to, analyses of accredited programs' trend data, comparison with other programmatic accreditors' measures and thresholds, and reflection on stakeholder input.

**Chair:** Rachael Pandzik, DC, Chair
